Sincerely,
Dr. Juan E. Fernandez, Ph.D.
President,
Christian Union Theological Seminary

Doctrinal Position

Christian Union Theological Seminary is Interdenominational in nature; however, we hold to the following:

Articles of Faith

I. The Holy Scriptures

We believe that the Holy Bible is the Word of the Living God, true, immutable, steadfast, unchangeable. Its Author is the Lord Jehovah. It was written by holy men of old as they were moved upon by the Holy Spirit.

II. The Eternal Godhead

We believe that there is but one true and Living God, Maker of Heaven and earth and all that is in them, the Alpha and Omega, Who ever was, and is, and shall be without end. In the unity of the Godhead there are three persons, equal in every divine perfection, executing distinct but harmonious offices in the great work of redemption.

The Father – Whose glory is so exceedingly bright that mortal men cannot look upon His face and live, but whose heart is so filled with love and pity for His lost and sin-benighted children that He freely gave His only begotten Son to redeem and reconcile them unto Himself.

The Son – co-existent and co-eternal with the Father, Who, conceived by the Holy Spirit and born of the virgin named Mary, took upon Himself the form of man, bore our sins, and carried our sorrows. By the shedding of His precious blood upon the cross of Calvary, He purchased redemption for all that would believe upon Him. Destroying the bonds of death and hell, He rose from the grave and ascended on high leading captivity captive; that as the great Mediator between God and man, He might sit at the right hand of the Father making intercession for whom He laid down His life.

The Holy Spirit – The third person of the Godhead, the Spirit of the Father shed abroad, omniscient, omnipotent, omnipresent, performing an inexpressibly important mission upon earth, convicting of sin, of righteousness, and of judgment. Drawing sinners to the Savior, He is rebuking, pleading, searching, comforting, guiding, quickening, teaching, glorifying, baptizing, and enduing power from on high all who yield to His tender ministries, preparing them for the great day of the Lord's appearing.

III. The Fall of Man

We believe that man was created in the image of God, before Whom he walked in holiness and purity, but that by voluntary disobedience and transgression, he fell from the Eden of purity and innocence to the depths of sin and iniquity. In consequence of this, all mankind are sinners sold unto Satan; sinners not by coercion but by choice, shaped in iniquity and utterly void by nature of the holiness required by the law of God, positively inclined to evil, guilty and without excuse, justly deserving the condemnation of a just and holy God.

IV. The Plan of Redemption

We believe that while we were, yet sinners Christ died for us, the just for the unjust. Freely, and by divine appointment of the Father, Christ took the sinner's place, bearing his sins, receiving his condemnation, dying his death, fully paying his penalty, and signing with His life's blood the pardon of everyone who should believe upon Him. Upon simple faith and acceptance of the atonement purchased on Mount Calvary, the vilest sinner may be cleansed of his iniquities and made whiter than snow.

V. Salvation Through Grace

We believe that the salvation of sinners is wholly through grace; that we have no righteousness or goodness of our own wherewith to seek divine favor, and must come, therefore, throwing ourselves upon the unfailing mercy and life of Him Who bought us and washed us in His blood, pleading the merits and righteousness of Christ the Savior, standing upon His Word and accepting the free gifts of His love and pardon.

VI. The Baptism of the Holy Spirit

We believe that the Baptism of the Holy Spirit is the indwelling of the promised Comforter, in might and glorious fullness, to endure the believer with power from on high and thus enable him for these purposes: to glorify and exalt the Lord Jesus; to give inspired utterance in witness of Him; to foster the spirit of prayer, holiness, sobriety; to equip the individual and the Church for practical, efficient, joyous, Spirit-filled soul winning in the fields of life. We believe that this still being the dispensation of the Holy Spirit, the believer may have every reason to expect His incoming to be after the same manner as that in which He came upon Jew and Gentile alike in biblical days, and as recorded in God's Word.

VII. The Second Coming of Christ

We believe that the Second Coming of Christ is personal and imminent; that He will descend from Heaven in the clouds of glory with the voice of the Archangel and with the trumpet of God. The dead in Christ shall arise; then the redeemed that are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air; and so shall they ever be with the Lord.

General Information

Purpose

Christian Union Theological Seminary offers academic programs for students from all walks of life to prepare them to serve in the Christian Community. Our paradigm is to bring excellence to the undergraduate and graduate levels of study.

Great emphasis is placed upon the wealth of subject material in each pursuit. The established study modules and concepts of design make a Christian Union Theological Seminary education an exhilarating experience. Practical application and student involvement make the instruction received both refreshing and unmistakably intentional.

About Us

Christian Union Theological Seminary (CUTS) is a non-profit religious corporation chartered by the State of Massachusetts. CUTS seeks to provide educational courses and training at undergraduate and post graduate levels, to prepare students to enter into a variety of ministerial vocations, to offer spiritual, personal, intellectual, and professional components of a rigorous theological education essential for effective Christian witness and ministerial practice.

Christian Union Theological Seminary is international and designed to meet the needs of individuals by offering on-site classes, on-line classes, and independent study learning experiences. Focus is given as needed, to adapt each program offered regarding the participant's ability level, and consideration is given to the global aspect of each student.

Christian Union Theological Seminary is committed to those students who demonstrate the call of God upon their lives and who are pursuant to the same. Programs of study are designed for pre-service students and also, for students who are practicing in the field of ministry and desire more education.

Christian Union Theological Seminary may assign advanced credits for courses taken at other institutions of higher learning. However, Christian Union Theological Seminary requires sufficient time to examine, assess, and verify all claims presented.

Christian Union Theological Seminary will not jeopardize its credibility by assigning credit for activities that are clearly not relevant to the degree program offered, or to a level of the degree desired.

Christian Union Theological Seminary offers programs only under authorized academic supervision.

Christian Union Theological Seminary believes that seminary trained professionals and practitioners should be persons who are able to think, not only about the world in which they live, but who can be effective in the world by applying their knowledge to current human conditions to leave the world better informed and a better place than previously influenced.

Christian Union Theological Seminary reflects the excellence of experience and credentials of those involved with the institution. Christian Union Theological Seminary offers degree programs that are equitable in quality to the leading seminaries and institutions of the nation.

Accreditation

Christian Union Theological Seminary (CUTS) is a non-profit religious corporation chartered by the State of Florida and is an ecclesiastical educational institution authorized to operate by the State of Florida under Chapter 1005.06 of the Florida Statutes.

According to this authorization and registration, Christian Union Theological Seminary is regulated by the Commission for Independent Education (CIE). All degrees offered at Christian Union Theological Seminary are exclusively in religious disciplines for Christian service. The purpose and function of our programs, courses, and curricula are to equip believers for the work of the ministry according to the Word of God. Christian Union Theological Seminary makes no claims, implied or expressed, that its educational programs, courses, or curricula are of the same type and effect as those offered by secular colleges and universities. It is the intent of Christian Union Theological Seminary to clearly express that the two are different in purpose and application.

Christian Union Theological Seminary is accredited by the Transworld Accrediting Commission International.

Transfer of credits earned at Christian Union Theological Seminary to any

other educational institutions is a determination made at the discretion of each receiving institution on a case-by-case basis. Christian Union Theological Seminary advises all prospective students of any educational institution to inquire of the institution in which they plan to transfer concerning the potential transfer of credits in advance of enrollment in courses and degree programs.

Programs

At the present time, Christian Union Theological Seminary offers programs in the areas of Pastoral Theology, Practical Ministry, Biblical Studies, and Christian Counseling. These programs are offered to students preparing to enter the fields of Christian ministry, Christian teaching and Christian counseling. Also, these programs are appropriate for practicing ministers who would like to pursue a more in-depth understanding of Scripture; study Biblical history; and would like to interact with other practitioners in the field of ministry.

Pastoral Theology, Practical Ministry, and Biblical Studies focus the core courses on basic understanding of the Church and its mission in the world; the foundational practices of Bible study and other spiritual disciplines; and experiences that lead to providing an effective ministry.

The Christian Counseling program offers courses to equip students in vital counseling skills in the Christian community and prepare them for certification and licensure in Christian Counseling. Christian Union Theological Seminary does not offer any courses in secular counseling. Counseling classes offered are from a biblical concept with a Christian point of view. We believe and teach that God created us, and our basic approach to counseling deals with the temperaments and how they affect our lives.

Our counseling program is not to be confused with a State License. Most states have regulatory laws governing the practice of psychology. Many also have laws governing the practice of general counseling. These laws may vary from state to state. If the graduate desires a state certification or licensure in order to set up an office independent of the church, the graduate must contact the State Board of Examiners of Professional Counselors to receive guidelines for licensure by the state. The graduate may be required to take certain courses and must pass a State Board written test to be licensed on approval by the state in which the graduate lives.

General Policies

Application

Application to enroll at Christian Union Theological Seminary must be made only on official documents for that express purpose. The application form may be completed and submitted with the application fee at the CUTS website (www.cutsedu.org). Christian Union Theological Seminary has a year-round application process to accommodate students who may take classes on campus, on-line, or through independent study.

Official academic transcripts from each secondary and post-secondary institution that students have attended must be mailed directly to Christian Union Theological Seminary.

1. Transcripts must show all courses, grades, and the awarding of degrees.
2. Transcripts must be official and should be mailed directly from the institution in a sealed envelope. Faxed transcripts are not accepted.

Admission

All applicants to Christian Union Theological Seminary are given every consideration without regard to gender, age, race, nationality, or ethnicity.

Christian Union Theological Seminary accepts individuals based upon their desire to increase the knowledge in the Lord Jesus Christ. Each prospective student will be assessed according to his or her prior academic background and ministerial experience.

Once the Office of Admissions receives an application with the application fee and all official transcripts from other institutions, then Christian Union Theological Seminary will evaluate the student's academic needs. Any claims to academic credit must be documented. The admissions office will notify the student regarding admission.

Christian Union Theological Seminary has established programs of study and course structures for all its degree programs; however, CUTS may exercise the right to modify a program of study, or a course structure based upon our assessment of the individual student's academic accomplishments or needs.

Admission to Christian Union Theological Seminary is a privilege and once a student is admitted, she/he can expect to continue at the Seminary as long as she/he 1.) Maintains satisfactory academic grades (cumulative GPA of 2.0 for undergraduate students and cumulative GPA of 3.0 for graduate students); 2.) Meets the financial obligations of fees and payments; and 3.) Does not violate regulations regarding any ethical conduct, such as cheating, plagiarism, etc.

Students may take up to 12 credit hours prior to determining their degree program, however, it is necessary to make this decision to ensure that the student takes the appropriate courses to earn a degree. Students will meet with the Dean of Students to develop the individualized degree program and to select the appropriate core courses and electives.

Christian Union Theological Seminary reserves the right to deny further registration to any student who is not making satisfactory academic progress; not paying fees, and/or violating ethical conduct.

Christian Union Theological Seminary reserves the right to withhold the diploma for poor scholarship, unpaid financial obligations, and/or student misconduct.
